energy-program

K - 8th Grade

DO YOU WANT TO BRING SCIENCE ENRICHMENT TO YOUR AFTER-SCHOOL CLASSES BUT FIND IT HARD TO TRAIN STAFF OR GATHER MATERIALS AND LESSONS?

Our Out-of-School Time Energy Program (O.S.T.E.P.) is your solution!

These hands-on lessons are fun for students, adaptable for K-8th grade, and can be taught in any after-school environment.

O.S.T.E.P training provides:

- A comprehensive curriculum and toolkit of lesson materials.
 - Strategies to seamlessly blend lessons into your after-school setting.
 - Access to the most up-to-date materials, campaigns and peer-to-peer connections through our e-learning platform; PEAK Talk.
-

THE FUN DOESN'T STOP AFTER YOU TRAIN!

SIGN-UP FOR HIGH-ENERGY ASSEMBLIES, LAB ASSISTANCE, FUN CONTESTS, AND MORE!
